Books Like A Short History

The history of books starts with the development of writing, and various other inventions such as paper and printing, and continues through to the modern day business of book printing. The earliest history of books actually predates what would conventionally be called "books" today and begins with tablets, scrolls, and sheets of papyrus. Then hand-bound, expensive, and elaborate books known as ...

Today, countercultural cartoonist Robert Dennis Crumb, better known as R. Crumb, turns 70. As a founder of the “underground comix” movement in the 1960s, Crumb is either revered as a pioneering satirist of American culture and its excesses or reviled as a juvenile purveyor of painfully outmoded sexist and racist stereotypes. Crumb doesn’t apologize.
