

Business Ethics Framework

Business Ethics Framework

We probably also have an image of what an ethical community, an ethical business, an ethical government, or an ethical society should be. Ethics really has to do with all these levels -- acting ethically as individuals, creating ethical organizations and governments, and making our society as a whole ethical in the way it treats everyone.

A Framework for Ethical Decision Making - Markkula Center ...

MAKING CHOICES: A FRAMEWORK FOR MAKING ETHICAL DECISIONS. Decisions about right and wrong permeate everyday life. Ethics should concern all levels of life: acting properly as individuals, creating responsible organizations and governments, and making our society as a whole more ethical.
