Small Business Loans - The 10 Best Options in 2019 | Fundera

The best loan to buy an existing business for most people is an SBA loan. This is because the interest rates on SBA loans are some of the lowest, plus you can get some of the longest repayment terms (10 to 25 years). Because SBA loans are generally the best option (except for high net worth individuals who have more options), we'll primarily focus on SBA lending.
