Celebrate the 50 States by Loreen Leedy, Paperback ...

Leedy (Measuring Penny, 1998, etc.), so deft in making hard facts memorable and setting information into a context that makes sense to children, selects a hodge-podge of details and miscellany to convey a sense of what every state is about, as either a political entity or a place. Into lively, effulgent illustrations she plants a monotonous, forgettable list of items to distinguish every state ...

CELEBRATE THE 50 STATES! by Loreen Leedy | Kirkus Reviews

The 50 States Fun Facts book is a hard back board book with a puzzle in the back of the book. Each page is filled with 50 facts, one for each state in a particular category such as animals, celebrations, things that go, etc. Each fact is related to a state in some way but not necessarily a recognized state object.
