

Chelation Therapy Hope Or Hype A Controversial Study Does Nothing

Chelation Therapy Hope Or Hype

Note: This is a slightly revised version of a talk I delivered at the recent CVCT Conference in Washington, DC. Why are we vulnerable to fake news and why is it so hard to get rid of it? This is a complex question, but one important factor is that fake news delivers clear and simple messages that ...

Misinformation on nutrition and health seems more prevalent than evidence-based information. And it's becoming more challenging to figure out just who the experts are. Misinterpreted science, cherry-picked studies, conspiracies, and alluring anecdotes are the tools that many pseudoscience peddlers use to sell their stories. Below you will find some of the more popular people or websites that ...

Personal Testimony. I purchased one gram of C0 2 refined cannabis indica oil because it contains all of the cannabinoids. I immediately noticed the cramping or tight feeling in the prostate had disappeared, frequent night-time urination returned to the normal with only once a night urination, and the occasional sharp pains I felt since I was a teenager did not occur.
