Save some money and make your own cold brew at home. This coffee recipe is so easy--plus you can make a double batch to have plenty on hand for an instant pick-me-up. Be sure to use coarsely ground coffee beans for cold brew. Finely ground coffee can make it cloudy.

**Cold-Brew Coffee Recipe - EatingWell**

Cold coffee has long been associated with huge coffee chains, vats of whipped cream, sweet artificial syrups and other such miseries. This summer, however, New York City introduced me to cold-brew coffee - a very different, far more refined creature that made me realise the magic of cold coffee, just in time for a warm English summer.

BREWED THE RIGHT WAY. Sustainability is a part of the Cadence journey every step of the way. Our beans are sourced using direct trade relationships with farmers, which supports economic development in the communities where we do business.

### **Cadence Cold Brew Coffee**

This recipe was inspired by a drink I love at a local cafe. (Theirs is "magic coffee.") After my first taste, I went home and immediately started tweaking a recipe. They brew the coffee hot, but since it was summer and I am lazy, I wanted to use a cold-brewed coffee base, and I started with a recipe from the Times. There's lots of room for variation depending on what flavors you like--I did a ...
