Back in the 7th and 8th grade there were several ways to show your love and devotion to your B/F/F. You could exchange little friendship pins, the safety pins with tiny, bright colorful beads on them. We'd wear them up high on the laces of our Puma sneakers or pin them to the straps of our purses ...

Paper craft is the collection of art forms employing paper or card as the primary artistic medium for the creation of three-dimensional objects. It is the most widely used material in arts and crafts. It lends itself to a wide range of techniques, as it can for instance be folded, cut, glued, molded, stitched, or layered. Papermaking by hand is also an important paper craft.
