2. Prescription HCG Drops. These HCG diet drops contain a solution that's similar to prescription strength HCG injections. However, the prescription strength HCG drops are very popular among those that have an aversion to needles.

The Ultimate HCG Drops

What Are hCG (Human Chorionic Gonadotropin) Drops, and How Do They Work? When talking to your doctor about your options getting started on the HCG diet you probably cringed a little when they said you would be taking daily injections of HCG in your home right? I know I did! If you're like myself and many people, the idea of needles isn't something you want to deal with.

hCG Diet Drops: Are They Safe and Effective for Weight Loss?

HCG Diet Plan. When doing the HCG diet plan, it is recommended that you follow Dr. Simeon's original diet protocol with a HCG diet plan that is outlined in his manuscript, Pounds & Inches. When doing the HCG diet plan, it is required that you take the drops for a minimum of 23 days without cheating. These 23 days will include 2 load days, followed by 21 days on the low calorie diet with

the drops.
