

Early American Literature Themes

Early American Literature Themes

Colonial literature. Because of the large immigration to Boston in the 1630s, the articulation of Puritan ideals, and the early establishment of a college and a printing press in Cambridge, the New England colonies have often been regarded as the center of early American literature. However, the first European settlements in North America had been founded elsewhere many years earlier.

American literature - Wikipedia

African-American literature is the body of literature produced in the United States by writers of African descent. It begins with the works of such late 18th-century writers as Phillis Wheatley. Before the high point of slave narratives, African-American literature was dominated by autobiographical spiritual narratives.

African-American literature - Wikipedia

Latin American literature, the national literatures of the Spanish-speaking countries of the Western Hemisphere. Historically, it also includes the literary expression of the highly developed American Indian civilizations conquered by the Spaniards. Over the years, Latin American literature has developed a rich and complex diversity of themes, forms, creative idioms, and styles.
