For most seafarers, the taking of bunkers is simply another routine operation. Care will be taken of course, but beyond that, little is understood about where bunker fuels come from, how they are bought and sold, the various methods of delivery and, once on board, the impact these fuels may have on the efficient running of the engine.

The stages From the Big Bang to Integral I found simple symbolic scenes to express each level so that when we look at them we can get an immediate 'feel' of each stage in their respective quadrants. For instance, amber upper left is someone bathed in the shining light of an almighty god; orange upper right is a marathon runner reaching for high performance; lower right green is a new city ...
