### **Fat Girls Have Feelings Too**

Fat Girls Have Feelings Too: Friendzoning Myself Skip to entry content. Please be advised that this story contains a heavy dose of adult language, not suitable for sensitive readers. I Always Friendzone Myself. Always. No one likes to be friendzoned, especially by someone we harbor deep-ass feelings for; it sucks.

Here's a fun fact to brighten your day: fat girls are crazy. No, really: scientists have established a link between obesity and all kinds of mental illness, from anxiety to psychiatric disorders.And the reason why I say "fat girls" and not "fat people" is because women in general already have much higher rates of mental illness than men; a full 25 percent of American girls are cuckoo ...
