

## *Finding A Career That Fits You*

### **Finding A Career That Fits**

Hey readers! Quick note before we jump in: This is a post about something I've been wanting to write about forever: careers. Society tells us a lot of things about what we should want in a career and what the possibilities are—which is weird because I'm pretty sure society knows very little about any of this.

Here's a post that I originally published on my work blog, but I thought the readers here would benefit from it too. It's a simple model for thinking about your career growth. With things like a "jobless economic recovery," careers ending, and a "skills-for-hire" economy, it's even more important to focus on growth while managing your career.

Megan Markle loves this shade. Kim K wears this shade (they actually named it after her). My favorite is a cult classic in the shade Pillow Talk. It's a rosy nude that is actually flattering on every skin color. It looks like your lips but better. Not so nude that it doesn't look like you're wearing anything, this color looks polished and timeless.
