A few more points. Its normal to spend time in queues here, or wait for appointments. When I first got to Germany, I would see long queues at the supermarket, and only 1 or 2 checkouts operating, so I thought the registers must have been down, or staff must have been sick, and went away to come back later, only to find the queues are still there.

The Botanic Garden & AI: Almost Human. One of the most interesting works in the new Barbican exhibition AI: Almost Human is a set of computer generated reproductions of botanical illustrations similar to those represented during the Golden Age of Dutch painting. Coincidentally, I visited it while reading Ian McEwan's novel Machines Like Me and preparing a talk about botanical gardens in the ...
