In the spirit of the new year and all things dealing with resolutions and lists, I submit below my first blog posting for the EduTech blog (checking off a resolution) with a discussion of 10 Global Trends in ICT and Education for 2010 and beyond (joining the crowded space of lists in this new year). The list is an aggregation of projections from leading forecasters such as the

10 Global Trends in ICT and Education | Edutech

Educating girls can break the cycle of poverty in just one generation. Around the world, local leaders have culturally-relevant ideas to improve learning and retention particularly for girls, but often don't have access to needed funding and support.

Global Education Fund

A great place to learn. We are proud to welcome international students from around the world. With more than 245 schools, serving over 120,000 students, we offer a wide range of academic courses and specialized services, including ESL programming for all levels.
