Golden Age Comic

The Golden Age of Comic Books describes an era of American comic books from the late 1930s to circa 1950. During this time, modern comic books were first published and rapidly increased in popularity. The superhero archetype was created and many well-known characters were introduced, including Superman, Batman, Captain Marvel, Captain America, and Wonder Woman

A golden age is a period in a field of endeavor when great tasks were accomplished. The term originated from early Greek and Roman poets, who used it to refer to a time when mankind lived in a better time and was pure (see Golden Age).. The ancient Greek philosopher Hesiod introduced the term in his Works and Days, when referring to the period when the "Golden Race" of man lived.
