Happy People/U Saved Me received mostly positive reviews. The Los Angeles Times said, "Charming, unpretentious and effortless, the singer presides over a party whose pace never flags and whose soul is fun-loving and wholesome." Uncut said, "Happy People is a cunning, crackling, can't-keep-still classic." However many found his gospel/Christian based songs to be at stark contrast to his legal ...

Hi there, I have read and searched for a solution to change the u-joints on the axle between the engine and rear diff. They say it's staked and you have to buy a new drive shaft for \$1200. Nothing to find on the internet. Talked to some companies an they all say the AWD drive shaft needs to be machined which is BS. If you're a bit handy you can do it yourself.
