The collective noun for guinea fowl is a confusion, and this is both apt and accurate. Our neighbour Caroline (she's a potter, and she recently made me a Perfect TeaCupMug -- it's enormous!) does all of the looking after the guinea fowl, and I look proudly and fondly on because they spend their days wandering around eating ticks and thus, I hope, decreasing everyone's chances of getting Lyme ...

Let's face it, sometimes you simply run out of bullet journal page ideas. Not because there aren't about a bajillion page ideas out there, but because you might just burn out and lack inspiration one day (trust me, it happens). A bullet journal is a great way to not only get my life organized but to help me de-stress and work on self care while I do so.

Easier - You don't have to be a great writer, perfect speller, or creative thinker to keep a personal journal. Journal writing means that you regularly write down your thoughts and experiences. Harder - A journal is a continued series of writings made by a person in response to their life experiences and events.
