When billing most third parties for services provided by a physical therapist, it is necessary to utilize CPT-4 codes to describe the services that were rendered. Although CPT is not an exact descriptor of physical therapists' interventions, it does provide a reasonable framework for billing.

### **Coding for Interventions (CPT-4)**

AMA copy writes the CPT® coding manual annually to explain how to apply the changes. The webinar reviews the proper application of the changes for 2019. This will avoid the risk of applying coding changes incorrectly which can result in audits and recoupments of previously paid claims.
