Introduction. I think the Kryptonite Kryptolok Series 2 Standard is a the best budget priced, standard sized, mid-security lock available today.. And in this review of the Kryptonite Kryptolok Series 2, I'll look at how secure it is, how easy it is to carry and use, the optional anti-theft protection, and what alternatives are available.

Kryptonite Kryptolok Series 2 Review | The Best Bike Lock

Chain locks are made up of a series of steel links (usually inside a cover to protect your paintwork) and a lock. The lock can be integrated into the chain or it can be a separate padlock.
