Writing is a complex process that includes everything from handwriting skill to sentence construction to planning and drafting a story. We've found apps that help young children along all of the steps of the writing process, including the final stages — publishing and sharing your writing with others. Several apps can turn your iPad into a handwriting tablet for practice.

Editorial Reviews ...a sweeping overview of presidents leading the United States through almost two centuries of conflict. Presidents of War is a marvelous narrative...Along the way, we see presidents plotting strategy, maneuvering with Congress...and conferring with confidants, while their families weigh in on critical decisions. We see presidents leading great public debates—or failing to.
