

Play First In Math

Play First In Math

First In Math establishes a culture of math success in schools; creates interest and lessens fear of mathematics in children of all skill levels. Used by millions of K-8 students worldwide, FIM develops critical skills and improves the way students feel about math.

First In Math | Online Math Practice, K-8 Fact Fluency

How to play Turn the four numbers into the target number 24! Use all four numbers, but use each only once. You can add, subtract, multiply and divide. CLICK on a number, then on an operation sign, then select a second number to complete the first step of your solution -- the result will be shown.

First In Math

First In Math is a curriculum supplement that gives students the fundamental skills they need to achieve their academic goals. It delivers fluency in basic addition, subtraction, multiplication and division, while advancing higher-order thinking skills such as mental math, problem solving, pattern sensing, reasoning and number sense.

First In Math Online - Math Practice Program - 24 Game

First In Math® is an online math program from the makers of the 24® Game - Energizing Every Child to Learn, Love and Live Math™.
