Introduction. Learning theories refers to theoretical frameworks which try to explain how people and animals learn, thereby helping us understand the inherently complex process of learning.

## Theories of Learning - Current Nursing

Learning is the process of acquiring new, or modifying existing, knowledge, behaviors, skills, values, or preferences. The ability to learn is possessed by humans, animals, and some machines; there is also evidence for some kind of learning in some plants. Some learning is immediate, induced by a single event (e.g. being burned by a hot stove), but much skill and knowledge accumulates from ...
