As the tax filing deadline approaches on April 15, I'd like to thank taxpayers for taking the time to file and pay their taxes. Our nation's tax system is built around the concept of voluntary tax compliance, meaning citizens comply with their civic duty each year by preparing and filing their taxes - without direct government intervention.

The prerogative to respect diversity, often said to "begin with biodiversity" of non-human life, is basic to some 20th-century studies, such as cultural ecology, Queer studies, and anthropological linguistics.. In various forms it is promoted by many political movements, most notably feminism, gay rights, green politics, animal rights and the anti-globalization movement.

An accurate recounting of history is necessary to appreciate the need for disestablishment and a separation between church and state. The religiosity of the generation that framed the Constitution and the Bill of Rights (of which the First Amendment is the first as a result of historical accident, not

the preference for religious liberty over any other right) has been overstated.
