Accountability IS the Game. Discipline 4 is where execution really happens. The first three disciplines set up the game, but until you apply Discipline 4, your team isn't in the game.It is based on the principle of accountability: that unless we consistently hold each other accountable, the goal naturally disintegrates in the whirlwind.

The 4 Disciplines of Execution

One of a manager's most important responsibilities is to solve problems. Finding the answers to difficult questions that are sometimes a source of great perplexity and distress for the organization often falls to an organization's leaders.

Managers Must Be Effective Problem-Solvers | CMOE

"Beanball" is a colloquialism used in baseball, for a ball thrown at an opposing player with the intention of striking them such as to cause harm, often connoting a throw at the player's head (or "bean" in old-fashioned slang). A pitcher who throws beanballs often is known as a "headhunter".

Beanball - Wikipedia

A changeup is a type of pitch in baseball and fastpitch softball.The changeup is the staple off-speed pitch, usually thrown to look like a fastball but arriving much more slowly to the plate. Its reduced speed coupled with its deceptive delivery is meant to confuse the batter's timing. It is meant to be thrown the same as a fastball, but farther back in the hand, which makes it release from ...
