### **Strategies For Students With Autism**

Following the STAR curriculum has made a positive difference in every one of my students' lives. Students who started the year needing full assistance to transition between activities are now able to independently check their schedule and move to the next activity.

### **STAR Autism Support | Strategies for Teaching Based on ...**

The field of autism is very new – not even 100 years old yet! This means we are constantly learning new things. It also means that those of us in the field of autism will likely need to change the way we deliver help to those who seek it and change the way we teach our students.
