The Israeli population is linguistically and culturally diverse. Hebrew is the country's official

language, and almost the entire population speaks it either as native speakers or proficiently as a second language. Its standard form, known as Modern Hebrew, is the main medium of life in Israel. Arabic is used mainly by Israel's Arab minority which comprises about one-fifth of the population.

Although realize is now regarded by many in the U.K. and Australasia as the American spelling, it is not an Americanism. In fact, the -ize spelling variant is older than -ise—realize predates the United States and Canada by nearly two centuries—and has been the preferred spelling throughout most of the word's history in English. If we can believe the ngram below, which graphs the use of ...

Rosswisse stripped by Issei's "Dress Break" In Volume 9, she accompanies the second-year students to Kyoto. When Issei attempted to peek at the girls, Rosswisse attempted to stop him only to become another victim of Issei's Dress Break, much to her horror, due to the fact that her jersey (which was bought while on discount) was ruined. When Issei sees Azazel drinking in the morning and telling ...

History and usage. The Karuk language originated around the Klamath River between Seiad Valley and Bluff Creek. Prior to European contact, it is estimated that there may have been up to 1,500 speakers. Linguist William Bright documented the Karuk language and when Bright began his studies in 1949 there were "a couple of hundred fluent speakers," but by 2011, there were fewer than a dozen ...
