Five interactive technology tools for the math classroom. ... 5 Math Technology Tools to Engage Students . ... An Educator's Guide to the "Four Cs" by the National Education Association states ...

### **5 Math Technology Tools to Engage Students - Global ...**

In a balanced mathematics program, the strategic use of technology strengthens mathematics teaching and learning (Dick & Hollebrands, 2011). Simply having access to technology is not sufficient. The teacher and the curriculum play critical roles in mediating the use of technological tools (King-Sears, 2009; Roschelle, et al., 2010; Suh, 2010).
