By the way, that episode and others can be found in other Chronicles of a Footloose Forester story entitled, "Nobody Likes A Critic." Writing things down and recording them for posterity is one way he chose to set the record straight, or at least attempting to describe something on the other side of the coin and to duly note what was discovered.

The Other Side of the Coin Over a hundred years ago at a festive gathering of prestigious rabbis, the Rabbi of Pressburg, known as the Ktav Sofer, got up to speak. He announced that he had brought along a rare treasure that he wanted to display.

### **The Other Side of the Story - The Other Side of the Coin ...**

But I don't want to hear any more about those things. I had a good long look at the other side of the coin, and it destroyed more than it conserved. There was something radically wrong about a system under which the discovery of one twenty-five-cent piece would shed a radiance that is still bright sixty-odd years later.

### **The other side of the coin - Idioms by The Free Dictionary**

Coins usually bear images while stories are full of symbolic imagery. Every scene in a myth is a collection of images that we can study for spiritual significance. The woman sweeping to find the

lost treasure reminds us of all the reading and searching that goes into reconnecting with the sacred in daily life.

The challenge coin tradition has spread to other military units, in all branches of service, and even to non-military organizations as well as the United States Congress, which produces challenge coins for members of Congress to give to constituents. Today, challenge coins are given to members upon joining an organization, as an award to improve morale, and sold to commemorate special occasions ...
