

The Liberal Education Of Charles Eliot Norton

The Liberal Education Of Charles

Liberal arts education (from Latin liberalis "free" and ars "art or principled practice") can claim to be the oldest programme of higher education in Western history. It has its origin in the attempt to discover first principles - 'those universal principles which are the condition of the possibility of the existence of anything and everything'.

Liberal | Definition of Liberal at Dictionary.com

Liberal arts is the term given to an education based on classical antiquity. It is meant to be a practical education which develops mental capacity. It was designed in the late medieval period (12th/13th centuries) using ideas from Ancient Greek and Roman culture. The students were meant to be young gentlemen, that is, from respectable and important families.
