1981 World Series. One of the greatest post-season rivalries (dating back to 1941) was reset for the second Fall Classic of the 1980's. The New York Yankees had been in the hunt for more World Series Championships than any other team in professional baseball and the Brooklyn/Los Angeles Dodgers were their favorite prey.

I took Frank's 19th Century Celestial Navigation class in April 2013 and really enjoyed it. Not only was the class interesting but my fellow classmates were too; a retired skipper of a ballistic missile sub, the son of the fellow who invented GPS, a teacher, a captain of a Panamax container ship and a fellow who crossed the Atlantic solo - twice!

On this day in 1803, the United States bought the Louisiana Territory from the French. More

specifically, the United States bought France's "claim" to the Louisiana Territory. The actual land belonged to the various Indian nations that lived on it, and the U.S. government acquired it gradually, through purchase and war, over the rest of the 19th century.

### **The Writer's Almanac for April 30, 2019 - Garrison Keillor**

It's the birthday of critic, novelist, and short-story writer Robert Coates, (books by this author) born in New Haven, Connecticut (1897). He worked as a journalist and wrote pamphlets for the American Rubber Company, but he didn't like it very much. So in 1921, he left the United States and went to Paris and became part of the circle of American expatriates there.

Kilde: The World Almanac 2008, side 45 og 555-587. Historie. Som det meste av det som i dag er USA, var Ohio først befolket av indianere. Iroquois-stammen førte krig mot flere andre grupper og vant Ohio-området som sine jaktmarker. Franskmennene begynte å sette opp handelsruter gjennom Ohio på 1700-tallet, men ga slipp på området etter krig mot britene i 1763.

Many people remember islands, land masses, and countries in alternate locations. Some of those memories are startlingly similar. I discussed this in two previous articles. The first was about Sri Lanka's location, since that had attracted considerable comment. The other article was about checking older maps, in case newer maps have been altered for political ...
