The special report outlines the key considerations for creating a transformational road map and presents the steps needed to build an organizational ...

Press Ganey Launches Blueprint for Transformational Change ...

Setting The Scene I can remember it like yesterday. It was the most important day of my life. I of course did not know this then... I sat nervously in the luxuriously decorated reception of an iconic old-school merchant bank, mentally running over my presentation, ensuring I had the key messages firmly fixed in my [...]

Models, Framework and Methodology. These relate by various means the objectives or goals at the strategic level to that at the project level. Interestingly, notwithstanding the existence of the above, various forums or organizations involved in promoting project management seem to have difficulty in using these to clearly explain the link between strategy and projects.

Connecting organization strategy to projects--the missing link

Strategic Planning. Develop the best strategic planning process to support your company's goals. This course is designed to combine proven-by-practice methods with new insights and ideas from a wide range of current strategic thinking.

A note about strategic planning “buzzwords”: You’ve probably read a lot of strategic planning jargon around the web and may be wondering, “What’s the difference between strategy and tactics?” or “How do I tell if I need OKRs or a SWOT analysis?”. If you’re wondering how one (or many!) of these terms fit into the grand scheme of strategic planning, click on the links below for ...

Strategic Planning: The Ultimate Guide To Preparing ...

Performance management begins with purposes and objectives. It has been long established that a fundamental requirement for control is the existence of objectives, which are the used to evaluate performance (Otley and Berry, 1980). Organizations have to meet multiple and sometimes competing objectives (Chenhall, 2003), and these are typically set out by senior managers to meet key stakeholders ...
