10 Samurai Were Not So Elite. Though we think of the samurai as an elite fighting force, the majority of Japan's army were foot soldiers called ashigaru, and it's foot soldiers who win wars.. Ashigaru began as common rabble plucked from rice fields, but when daimyo realized a well-trained standing army was superior to on-and-off warriors, they trained them to fight.

The political and geographical entity governed by the Muslim Ottoman Turks. Their empire was centered in present-day Turkey, and extended its influence into southeastern Europe as well as the Middle East. Europe was only temporarily able to resist their advance: the turning point came at the Battle of Varna in 1444 when a European coalition army failed to stop the Turkish advance.
