Detective fiction is a subgenre of crime fiction and mystery fiction in which an investigator or a detective—either professional, amateur or retired—investigates a crime, often murder. The detective genre began around the same time as speculative fiction and other genre fiction in the mid-nineteenth century and has remained extremely popular, particularly in novels.

I felt the same way for a while but there are a few things that made me into an e-reader fan. It's easier to carry around with me than some of the books I read; my library has e-books so I can download them to my device whenever I like without making a trip to the library; and, most impressive of all, in many books I can just press my finger on a word to get the definition of that word or if ...

Hardboiled (or hard-boiled) fiction is a literary genre that shares some of its characters and settings with crime fiction (especially detective stories). The genre's typical protagonist is a detective who witnesses the violence of organized crime that flourished during Prohibition (1920-1933) and its aftermath, while dealing with a legal system that has become as corrupt as the organized ...
